

# Coming soon in your mailbox: Your Citibank Debit and ATM Mastercard®

## Important Announcement

**Coming soon:** Citibank Debit and ATM Card will be progressively migrated to Mastercard.

We are delighted to inform you that we will be sending you your Citibank Debit and/or ATM Card with Mastercard's worldwide acceptance.

### Please Note:

- Your new Debit/ATM Card will have a new card number and a new expiration date
- Your PIN will remain the same
- Cards are replaced at no cost

Please ensure that your contact details (including mailing address) are up-to-date to receive the new Debit and/or ATM Card and other correspondences from us. You may update your details by logging on to Citibank Online or by downloading the Change of Address & Contact Details form from [www.citibank.com.sg](http://www.citibank.com.sg) and mailing it back to us.

## Until you receive your new card, simply continue to use your current one

Then activate and start using your new card as soon as it arrives.

Thank you for being a cardmember. We hope you will enjoy the privileges of your new card.

## Next Steps

1. Watch your mail for your new card

2. Activate by SMS or Citibank Online/Mobile

For alternative channels and more information, please click [www.citibank.com.sg/cardact](http://www.citibank.com.sg/cardact)

3. Start transacting!
